LETTER
IN RESPONSE TO
NOTICE TO FILE MISSING PARTS OF NONPROVISIONAL APPLICATION

Customer Service Center
Initial Patent Examination Division
Assistant Commissioner for Patents
Washington, DC 20231

Dear Sir:

This Letter is in response to a Notice to File Missing Parts of Nonprovisional Application mailed September 5, 2001, in the above identified application.

DECLARATION

I, Timothy T. Tyson, am aware that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon, declare:

1. I filed the filing fee and a Small Entity Statement with the application.

2. I had my client prepare a check for the filing fee. It was check number 400375 from Abacus Diagnostics, Inc. payable to the Assistant Commissioner for Patents in the amount of \$355, a copy of which is attached hereto.

3. I prepared a return postcard, a copy of which is attached hereto.

4. I prepared a cover sheet and placed it on top of the pages of the application.

5. I had my client sign a Small Entity Statement, a copy of which is attached hereto.

6. I placed the Small Entity Statement as the last page of the application.

7. I stapled the pages of the application together.

8. I attached the check to the top of the application with a paper clip.

9. I placed the postcard under the paper clip and on top of the check.

10. I mailed the application with the cover sheet, Small Entity Statement, check, and postcard to the PTO.

11. I have not received the postcard back from the PTO.

12. My client tells me her check has not been cashed.

13. That all statements made herein of my own knowledge are true and that all statement made on information and belief are believed to be true.

My only conclusion is that the PTO lost the check and postcard. I cannot tell from the Notice if the Small Entity Statement is missing or not. The first point of the Notice appears to be a garble combination of two points:

"Applicant must submit \$355 to complete the basic filing fee and/or file a small entity statement claiming such status (37 CFR 1.27)."

Now you want to penalize us for **YOUR** mistake. My client has to pay an extra \$65 because of 37 CFR \$1.16(e) and I have to pay \$15 because you changed the filing fee from \$355 to \$370 on October 1, 2001. Not bad for the PTO. Make a mistake. Collect an extra \$80. This is a bonus of 23% over the original filing fee.

In addition to the items identified above, attached to this letter with a STAPLE are:

1. Abacus Diagnostics, Inc. check number 400324 payable to the Assistant Commissioner for Patents in the amount of \$420 for the original filing fee and the 37 CFR \$1.16(e) surcharge for late payment of the filing fee;

2. My personal check number 1731 payable to the Assistant Commissioner for Patents in the amount of \$15 for the increase in the filing fee which occurred on October 1, 2001; and,

3. A copy of the Notice.

In addition, a return postcard is attached with a paper clip.

Respectfully submitted,

Timothy T. Tyson, Reg No. 28,915
